Second Language Writing Bibliographies

Compiled in 2007 by Talinn Phillips, Ohio University, and Charles Nelson, Kean University

These bibliographies are provided by TESOL’s Second Language Writing Interest Section. We are heavily indebted to Paul Matsuda, whose online bibliographies formed the foundation for the ones you see here. Thanks also to Gyl Mattioli, Donald Weasenforth, Margaret Redus, Nancy Megarity, Gigi Taylor, and Lynn Goldstein for their contributions.
